Items found in earlier months and planted items from previous UTC hunt locations are not eligible for entry into monthly finds voting.

FIND OF THE MONTH

You are allowed to enter only one item into each of the 10 individual categories.

All extra finds for the month can be placed into the Displays category.

Items placed in the Miscellaneous category are items that cannot be placed in any other category.

Voting on the finds table:

Each item entered will have an entry form filled out. Information on the form will consist of a category letter and number with a description of the item. **Do not forget to sign the back of the entry form. This is very important if you want to receive points for your entry.**

When voting, choose the item in each category that you think is the best, and enter the category letter and number on the ballot sheet. Vote for only one item in each category. When voting for the Find Of The Month, vote on the one item out of all the categories that you feel is the best for the month.

DISPLAYS ARE NOT ELIGIBLE FOR FIND OF THE MONTH. DO NOT VOTE FOR A DISPLAY AS THE FIND OF THE MONTH!!!

Finds table points are awarded as follows:

Each item entered is awarded one point.

The winner of each category is awarded one point.

The winner for the find of the month is awarded one point.

Total possible points awarded each month is 21.

There is a score board update each month showing the entrants name and the number of points accumulated. Current standings can be found on the UTC club website, www.UncompahgreTreasureClub.com.
