Happy New Year!!!

Secretary's Report:

No minutes on New or Old Business were reported since this was our Christmas Dinner and Awards Night. After a prayer from Lon Helmick, it was time to indulge in all the find food from the pot luck dishes. There was a big variety and plenty to go around. A big thanks for all of the club members contributing those dishes.

After diner our awards were presented. 2014 "Hunter of the year", John Forrey, Second place Rick Culver, Third Place Don Rodarte. "Find of the year" went to Don Rodarte for his WWII Quartermaster Lapel pin. The finds table for 2014 was good, and hopefully 2015 will be better.

For our community project the club members donated boxed goods to Sharing Ministries Food Bank who distributes the goods to the organizations and individuals who need assistance. We combined the clubs donation along with The Visual Arts Guild for a total of 190 pounds of general food products. Good Job, everyone. A big thanks to the ladies that made the door prizes. Great job to all of you. You made the evening very special.
