**Club Meeting:** outside Lions Park Clubhouse, 6:00 pm, Sunday, September 13, 2020

**Board Meeting:** Time and place will be decided at the club meeting

## **President's Message:**

Hello Members,

It's been very hard to plan and get things figured out for our next meeting, and I have decided to continue the Sunday meetings. Our next meeting will be on Sunday the 13<sup>th</sup> of September starting at 6:00 pm, outside at the clubhouse. As things cool off, I'm praying our weather will cooperate on that date. I have been trying to contact Sherriff Gene Lillard about speaking to our club about the Concerned Citizens issue he has been presenting to Montrose. It is something we, as residents of Montrose and Colorado, should be aware of and stand by our local law enforcement in need of help. I hope I can have him speak to us about this issue. I want to tell everyone how pleased I was, and I know you were too, about the club picnic and hunt. It turned out to be a perfect day and a wonderful event for all those who could attend. I am so glad we put this together. I was afraid we were not going to have it this year due to the pandemic. So, thank you all for the food and fun and the donations that made this another successful picnic and hunt. I hope to get out to our claim and take a look around. I would like to get the club out for a day at the river real soon, so if you have your claim forms complete, have them ready. The Finds Table is open this next meeting, so please bring your finds from July and August. Since we did not have an August Finds Table, July is being added. Hope you're all getting out, our last Finds Table was amazing. Well, I hope and pray everyone is doing great. Tony Prodzinski is doing much better after an extensive surgery. Please pray he continues to get better and we get to see him soon. So, mark that date: Sunday the 13<sup>th</sup> of September starting at 6:00 pm at the clubhouse. Hope to see you there.....Don

## **Secretary's Report:**

UTC Minutes

Meeting of **Sunday, August 9, 2020**

On Sunday, August 9, 2020, the club held its annual picnic pot luck and hunt at the Lions Clubhouse – followed with a brief meeting. Members who attended participated in hunts in all 3 fields, which included many, many coins and a total of 40 tokens. (All but one token was found!)

President Don Rodarte thanked Dave Lehmann, and Henry and Judy Kuntz for their donations of coins and prizes, as well as Jim Waugh who continues to donate many valuable coins to the club for our fund raising raffles. Don asked for prayers for those members who were unable to attend and for those in need of our support during this challenging time.

Don said he hopes we will be able to hold our September meeting in the clubhouse and will keep us informed by email. In the meantime, he encouraged members to keep hunting and said our next Finds Table will include finds for the last two months.

Mike Stansbery spoke for all of us when he thanked Don and everyone who had made this event such a big success.

For those members who were unable to attend, please know ....**we missed you...** and hope to see you in September.

## **Wisdom:**

When detecting and you hear a faint signal, if your gut tells you to dig that object up, you'd better listen to it.
