Board Meeting: Time and place will be decided at the club meeting

President's Message:

Hello Members,

I want to thank all of you who have participated in our meetings during the pandemic. The meetings turned out to be a safe and fun way to continue our efforts to keep the club going. Now I have been struggling with the idea of having our meetings indoors at the clubhouse. The weather and time change have put us into a situation of concern for members who are at risk. I would like to recommend we continue our meetings indoors at the clubhouse. I recommend we practice safe distancing, wear masks, and be aware of your condition as to fevers, coughs, and any other related issues or concerns. I understand completely if you would prefer not to attend, but a recent event at the clubhouse confirms there is ample room to hold a meeting. So, our next Meeting will be November 9th, 7:00 pm, at the clubhouse. Montrose County has approved indoor meetings at this time, so long as protocol is kept.

October's meeting was a welcome relief to those who wanted to get their detectors out and hunt for coins. I grid searched the field and found 5 halves, a dime and a Chilean 10 peso aluminum piece. Not bad, so thank you all who attended and hope you had fun. Officer nominations were supposed to be held, but our time frame had me miss the nomination process. So, I will have a nomination and vote this November meeting. Please DO NOT bring refreshment to this meeting. We will have a raffle and Finds table. I hope this will be a successful meeting and something to help gage further meetings, including our Christmas party in December.

I hope you will understand this decision and hope to see you soon.....Don

Secretary's Report:

UTC Minutes

Meeting of Monday, **October 11, 2020**

On Monday, October 11, 2020, President Don Rodarte called the meeting to order with the Pledge of Allegiance led by Duane Renfrow, followed with a prayer led by Don. Once again our meeting was held outside on the club's north field.

Secretary Sandy Bliss read the Secretary's Report. No changes were noted and the report was approved as read.

Treasurer Henry Kuntz read the Treasurer's Report. No changes were noted and the report was approved as read.

Don asked members who made it to the club's claim since our last meeting. Deb Hyatt and Don were the only members who were able to go. Do said he ran into several fly fishermen and gave them tips on good fishing areas.

Don asked for suggestions on the Club's annual Christmas party...how, when and where should we have it? Judy Kuntz suggested the Elks Club, and Duane said the Mason's Hall might be available. Members voiced on-going concerns at this time and suggested we wait until November's meeting to make any definite plans.

Don said when we have club hunts, some members have difficulty getting up and down. He said some members just need a little help and he hopes they will not hesitate to ask for help.

Don continues to search for properties for a club hunt – especially city or county properties. He suggested members can also locate owners of properties by searching on-line on the Montrose GIS website

During a break, members voted on the Finds Table. Following the break the club raffle was held by Don and Duane. After the raffle our first night hunt was held on the west field.

The meeting was adjourned following the hunt.
