Board Meeting: Time and place will be decided at the club meeting

President's Message:

Hello members,

Well, August turned out to be a very exciting month. Except for the monsoon rains, we were not able to get to the claim as planned, but I look forward to getting out when I get back from Nevada this week. The hunt on Spring Creek was very successful, lots of interesting items were found this time around. I am hoping to have another hunt soon. I want to thank you all for making the picnic and hunt a huge success this year, especially to Sandy, Deb, Mike, for their help getting this event set up. Couldn't have done it without you. To all those who donated the wonderful dishes and their time to help set up, Thank You All. There will be a demonstration for the Library's youth program on metal detecting September 14th at 4:30 pm. at the library and we could use some volunteers. We will take names of anyone interested in helping at the September 12th club meeting

See you all thenDon
