**Club Meeting:** Lions Park Clubhouse, 7:00 pm, Monday, October 10, 2022

**Board Meeting:** Time and place will be decided at the club meeting

## **President's Message:**

Hello Members,

I finally made it back from Nevada caring for my brother, and all is well so far. I got to do some detecting and rockhounding again, and I am ready to get out here with you folks and find some more locations to hunt. I finally finished our library collection for the club, and you will find some very interesting books of local history, treasures, and pioneers of this area. I hope to get the list out as soon as possible, so keep a look out for the listing.

I want to thank the members, Dennis, Sandy, Eileen, and Jim as we had a fantastic showing for some very enthusiastic young kids, as well as the library staff and parents, GREAT JOB!!! View the pics in the photo gallery of our website.

Remember our next meeting is Monday, October 10<sup>th</sup> 7pm at the clubhouse. The city continues working on the sprinkler system in the lawn area, but we still have access to clubhouse, so don't forget and we'll see you then.

Our friend and member Bruce Many had bypass surgery and he is doing well. Please keep up the prayers for Bruce and all of our members and family who really need our prayers.

THEY WORK!!! .....Don

## **Secretary's Report:**

UTC Minutes

Meeting of Monday, September 12, 2022

The meeting was called to order with Duane Renfrow leading members in the Pledge of Allegiance followed with a prayer by President Don Rodarte.

In place of our regular meeting in August, members enjoyed the Club's Annual Picnic and Hunt on Sunday, August 7<sup>th</sup>. Don thanked members for all their help setting up and for all the great

dishes enjoyed by so many.

Secretary Sandy Bliss read the Minutes for the Club's meeting of July 11<sup>th</sup>, 2022. The Minutes were approved as read.

Treasurer Barb Roth read the Treasurer's Report which included the month of July as well as some of the Annual Picnic expenses in August. Her report was approved as read.

Don announced a raffle board is available for \$1 per square (with a limit of 5 squares per person) for the prize of a 2009 Silver Eagle.

At the Farmers' Market on July 23<sup>rd</sup>, the Club had a booth demonstrating metal detecting and rock hounding for children and their parents. Many thanks to members who were able to help with this fun event. It was so successful that the Club has been asked to return in October. Volunteers will be needed again. Anyone interested in helping, please contact Don for all the details.

Another Club event for kids ages 9-14 is scheduled for Friday, September 16<sup>th</sup> at 4:30 pm at the Montrose Library. Don will explain some of the rules and regulations of metal detecting, followed by a chance for each child to use detectors and hunt for coins that have been hidden in the grassy areas on the east side of the library. Any volunteers would be appreciated.

Don reported that the Club's second hunt at the Spring Creek location was a big success once again. A thank you note was sent to Kathy and Bill Kennedy.

A brief break was taken for refreshments and voting on Finds of the Month.

Following the break, Don said the GPAA in Olathe asked if our club would consider letting them host an event on our claim. More information will be needed before a decision is made.

The Club trip to the claim continues to depend on the weather and river conditions, but hopefully a trip can be scheduled before cold weather arrives.

Don asked if anyone knew if the Club has a photo album. Deb Hyatt said we did at one time, and she will try to locate it. Don would like a photo taken of the winner for Find of the Month, as well as a photo of the winner for Find of the Year.

Eileen asked if there was an update on the possibility of a club hunt in the Cimarron area. Don said Tito is too busy with his Pleasant Valley Cabins, and the old Buffalo Camp is owned by a company in Texas who will not allow anyone on the property. He said he continues to search for possible sites.

Don would like to create a library for the Club with his many books. To check out a book there

will be a notebook for noting the date, title of the book and name of the borrower.

Duane and Don conducted the monthly raffle.

Mike announced Find of the Month Winner was Brian Rau with his gold ring.

Don thanked Deb for the evening's coffee, as well as all the members who brought so many great treats.

The meeting was adjourned.
